

Thank you for your booking, if you follow the map you'll find your way here.

Once you've reached Nowra, follow the Princes Highway south for approx 20 minutes, until you see a sign 'Island Point Road'. (The Jervis Bay Tourist Road turnoff, a few km south of Nowra, takes you to Sanctuary Point via Huskisson & Vincenta; don't take this route unless you already know the area well).

Turn left (east) off the Princes Highway at the 'Island Point Road' turnoff; approx. 50m in, there is a roundabout (#1) - continue straight ahead. Follow this 3km section of road until you reach another roundabout (#2) and continue straight on. After approx. 2.5km you will arrive at a 3rd roundabout.

Turn RIGHT here, into Larmer Avenue.

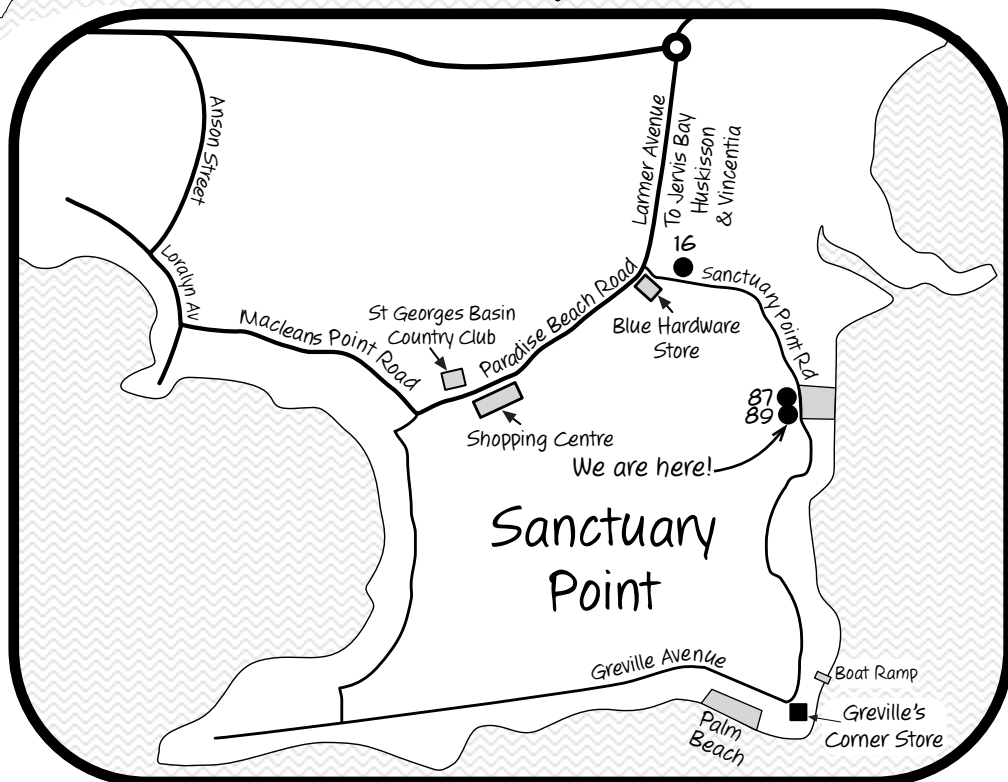

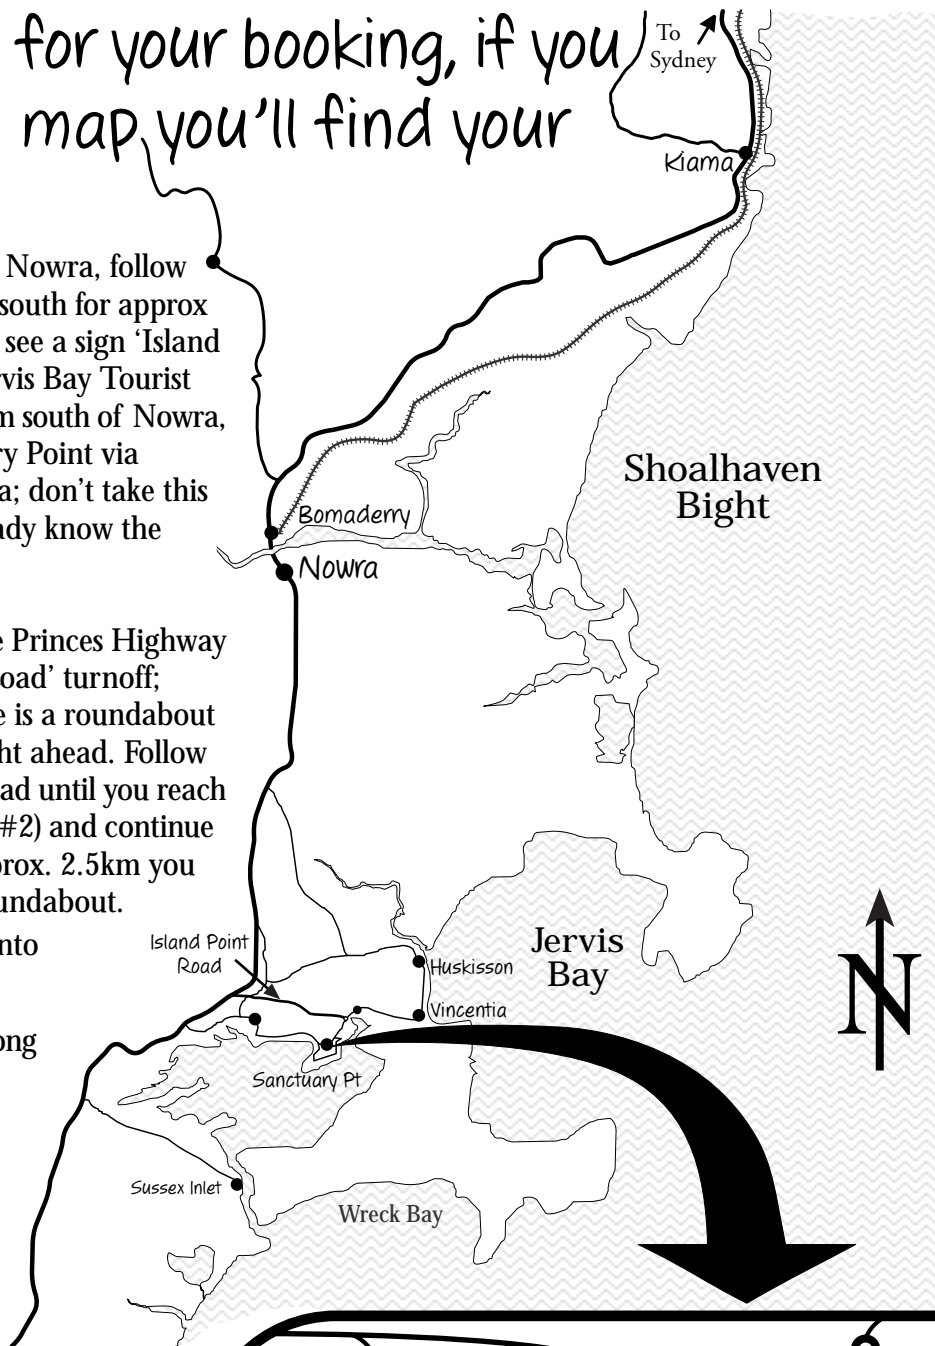

Approx 500 metres along you'll pass a service station on your right; slow down and prepare to take the next LEFT side-road, a little further along. This will be Sanctuary Point Road, and there is a blue Home Hardware store on the corner.

Our home (#89) where you collect keys for your rental booking is approx 700m along on the right-hand side, opposite a treed reserve.

"Sanctuary Point Retreat" #16
